

Back to You

Written by Jeffrey Luckey

Key: E

Capo 2

Verse 1

D **D/B** **D/F# D/G**
I'm sorry, Lord, for the heir I've become
D **D/B** **D/F# D/G**
I never thought that I would be this far from home
D **D/B** **D/F#**
All the love you gave never lied in waste
D/G
It keeps me hanging on
D **D/B** **D/F# D/G**
When I look around and there's nowhere else to run

Pre-Chorus 1

A **G**
These filthy hands I lift in faith
A **G**
Longing for redeeming grace
A **G**
To cleanse my heart and bring me back to You

Chorus

D **D/F# D/G**
Bring me back to You
Bm **A**
I'm so undeserving of the love You so freely offered us
D **D/F# D/G** **Bm**
I will place my trust in You and never look back
A
Because of who You are, because of what You've done

Verse 2

Forgive me, Lord, for my ungrateful heart
When I thought that I would be better off alone
When deception came, thought I had the strength to fight foolishness away
I forgot where all my strength comes from

Pre-Chorus 2

These filthy hands I lift to praise
A holy God with loves that saves
A wounded soul in need of Your embrace

Bridge (pre-chorus chords)

When I see Your open arms of love
Welcoming Your prodigal home
There's nothing that can hold me back from You

Outro
